महोदय/महोदया,
Sir/Madam,

The employee , GOPAL MODAK (Sr.No.353862, BARASAT BRANCH), could not login in efeap as system shows the error " You are not authorized to login from this location"
For your information, in IGA portal primary location shows BARASAT BRANCH. When he select Return to Primary Branch the system shows " Your are already in primary location" .

Please look into the matter.
